STUD FEE: \$800 after January 1 2022

This agreement is subject to the following conditions: The stallion service fee must be paid in full prior to any semen being shipped.

The stallion service fee comprises the Stud fee of \$700 which includes a \$350 booking fee

The separate collection fee is \$500 (price may change due to economic fluctuations) including shipping and must be paid in full prior to the collection of semen. There is no limit to the number of collections within a breeding season. This fee includes the collection and processing of semen. For the first collection the Mare Owner must provide a FedEx account number and a desired "Declared Value" for all shipments. A FedEx account number can be easily setup at <http://www.fedex.com>.

All fees MUST be paid prior to any collections that will take place without exception. Any / all payments may be made by check, Venmo, or by PayPal/credit card (payments will incur a 3% charge added to fee). All shipping Equitainers must be returned to the address provided, complete with all parts, within 5 days. A credit card number must be given prior to shipment to cover the replacement of any container or parts that are not returned in the same condition they were shipped in. If the Mare Owner would rather use a disposable shipping container there is a \$50 charge for the container and the Mare Owner must specify this request with the signing of this contract.

Live Foal guarantee: If the mare fails to conceive during the first breeding season, the Mare Owner may breed the same mare in the following year. A \$200 booking fee is payable for each season plus the collection and shipping costs. If a mare fails to conceive, a different mare may be substituted upon approval. Once a mare conceives, if the resulting foal is stillborn or dies before standing and nursing, the mare owner may return the same mare or a different mare to be rebred. This guarantee will apply only if notification of the foal's death is sent to the Stallion Owner by mail or email within 48 hours of the foal's death. Statements by a licensed veterinarian of the details of the foal's death must follow within 10 days or the Live Foal Guarantee becomes null and void. The live foal guarantee is expressly contingent upon the mare owner properly caring for the pregnant mare. Proper care shall include, but shall not necessarily be limited to, proper feeding and nutrition, regular deworming with products approved for pregnant mares, vaccinations that are customary in the mare owners geographical area, and proper intervention during foaling if necessary.

The Mare Owner understands that the stallion will not be available when he is away at shows. All unavailable dates will be known at the start of the breeding season. The stallion is otherwise guaranteed to be available for breeding, barring any unforeseeable circumstance, only if the Mare Owner or his/her agent notifies the Stallion Owner no later than 4:00 pm (central time) 24 hours before the date when a semen specimen is required to be collected and shipped. For the purpose of this contract, the term "breeding season" shall be defined as the period from April 1 to June 1 at which time all breeding will be discontinued until the following season. Shipments may be made after June 1st upon request, but will be subject to our availability at the time.

This contract is not assignable or transferable without written consent. A copy of the mare's registration papers must be included with this contract for Registered Irish Draught and RIDSH. When the mare owner signs and returns this contract (and it is signed by Danielle Tursky, Pairadox Cassanova), it becomes a binding contract on both parties, subject to the above terms and conditions. The mare owner irrevocably agrees that his/her sole recourse against Pairadox Cassanova with respect to the performance or non-performance of this contract is return of the stallion service fee, less the booking fee. Stallion services fees are not refunded unless the stallion dies or becomes unfit for service. In that eventuality, the mare owner may be issued a refund of the service fee.

The terms of this contract shall be governed by the laws of the State of Tennessee.
